## 1. General Terms

- 1.1. The *30% Shield Bonus* (hereinafter referred to as the "Bonus") is a promotional incentive offered by **Altum Brokers Ltd** (hereinafter referred to as the "Company") to eligible clients, subject to the terms and conditions set out herein.
- 1.2. Participation in the Bonus is available only to approved clients who have successfully opened a Shield trading account with the Company in accordance with the Account Opening Agreement and who are at least eighteen (18) years of age, or of legal age in their country of residence.
- 1.3. The Bonus promotion is available from the date of launch and shall remain valid until further notice, at the sole discretion of the Company.
- 1.4. By applying for or using the Bonus, the Client acknowledges that they have read, understood, and agreed to be legally bound by these Terms and Conditions.

## 2. Terms and Conditions of Bonus

- 2.1. The Bonus is available only to approved clients of Altum Brokers and is applicable exclusively to the **Shield Account** type. For the purposes of these Terms and Conditions, the Shield Account may also be referred to as the "Bonus Account".
- 2.2. A Client may hold a maximum of one (1) Shield Bonus account. The Company reserves the right to refuse a Bonus application or disable a Bonus account where it identifies duplicate applications or accounts linked through, without limitation, identical or substantially similar personal details, IP addresses, device identifiers, payment identifiers, trading patterns, or other indicators of duplication or abuse.
- 2.3. The Shield Bonus amount is equal to 30% of the value of an internal transfer made to the Shield Account. The Bonus is added automatically as a credit upon a qualifying transfer.

- 2.4. A qualifying transfer is an internal transfer from the Client's Wallet to the Shield Account with a minimum transaction value of USD 250 or equivalent.
- 2.5. The maximum active Shield Bonus is USD 5,000 or equivalent per Client.
- 2.6. The Bonus is for trading purposes only and can be lost while trading. It can be used as a Margin.
- 2.7. The Bonus amount is not withdrawable under any circumstances.
- 2.8. Any withdrawal of funds from the Shield Account shall result in a proportional removal of the Bonus equivalent to 30% of the withdrawal amount.

**Example:**

Active Bonus: 300 USD

Internal transfer out of Shield account: 120 USD

Bonus removal: 36 USD (30% from 120)

- 2.9. If, following an internal transfer, no Client funds remain in the Shield Account and the account balance consists solely of Bonus credit, the Bonus shall be removed in its entirety.
- 2.10. In relation to the 2.9 point, the Client acknowledges that the removal of an outstanding Bonus may result in the stop-out of open positions due to insufficient margin.
- 2.11. The Bonus is non-transferable and cannot be moved, assigned, or merged into any other trading account.
- 2.12. Trading activity conducted during critical news periods, including a reasonable window before and after such events as determined by the Company, may result in the Bonus and any associated profits being voided.

- 2.13. The Company reserves the right to apply specific trading conditions to Bonus accounts, including leverage limits, instrument availability, and execution rules.

### **3. Termination of the Bonus Scheme**

- 3.1. Altum Brokers reserves the right, at its sole and absolute discretion, to modify, suspend, refuse, or terminate the Bonus scheme and/or any associated Terms and Conditions at any time, with or without prior notice to the Client, to the extent permitted by applicable law.
- 3.2. If a client wants to opt out from the Shield Bonus, they can withdraw their funds from the Shield account and request the account closure by contacting [support@altumbrokers.com](mailto:support@altumbrokers.com).
- 3.3. The Company reserves the right to refuse to grant or continue the Bonus to any Client at its sole discretion and without obligation to provide justification. The Company shall not be liable for any losses, stop-outs, or other consequences arising from the cancellation or removal of the Bonus.
- 3.4. Where the Company suspects or has reason to believe that a Client has provided false, misleading, or incomplete information during registration or verification (including but not limited to identity details, contact information, or documents), the Company reserves the right to terminate the Bonus with immediate effect and without prior consent.
- 3.5. Where the Company suspects or determines that a Client has abused, manipulated, or attempted to circumvent the Bonus Terms, including but not limited to internal or external hedging, arbitrage, coordinated trading, or lack of good faith, the Company may, at its sole discretion and without prior notice remove the bonus, void any profits generated and/or close or restrict the Bonus account and/or any related accounts.

- 3.6. If the Company identifies that a Client holds more than one account participating in the Shield Bonus scheme, the Company reserves the right to immediately terminate the Bonus on all related accounts. The Company accepts no liability for any losses resulting from the closure of positions following such termination.
